As the John Bellew Memorial Fund remembers John ten years after his passing, we would like to thank everyone for the continued support and generosity. It is because of this kindness that the drive to keep John's memory alive has been so successful.

Originally created to be a Scholarship Fund for the children of members of the FDNY, the John Bellew Memorial Fund has extended its purpose to also provide financial assistance to the families of members of the FDNY and NYPD who have suffered non-line of duty deaths.

In memory and in honor of  
John Bellew (FDNY)
